After our photo session, it will take me anywhere from 1-4 weeks to edit and deliver your photos.

Photos are delivered in the form of an online gallery where you can download all of your edited photos. The gallery is attached to my recommended print shop to make ordering prints easier for you!

You are not required to print with me, but the quality of the prints I offer is top notch.

and texture in clothes.

Cool Blues

Neutrals

Spring Flings

Muted Moodys

Bold Brights

Dark Moodys

Neutrals are my favorite. I suggest picking at least one neutral color for every outfit. Then, I'd select 1-2 complimentary colors from the same family to add to the neutral.

Look at a color column vertically to go for a monochromatic look. Different shades of the same color.

frequently asked questions:

DO YOU PHOTOGRAPH WEDDINGS OR GROUP EVENTS?

I do not currently photograph weddings unless upon request. I do photograph group events such as birthday parties, group prom photos, family reunions, etc. Pricing is available upon request.

DO YOU GIVE YOUR CLIENTS THE RAW PHOTOS?

As a photography standard, I do not give out the raw photos. By selecting me as your photographer, you can place your trust in my judgement to select and edit your very best photos from the collection taken the day of our photo session.

DO YOU RETOUCH THE PHOTOS?

I do a light retouch of the photos in your gallery. This includes removing most fly-away hairs, blemishes and other slightly distracting parts of your photo. However, I do not alter your body or over-do retouching in any way. I try to capture your natural state, because honestly, it is the best version of you!
